Dear Nick

APPROVAL OF THE CVL NETWORK CHANGE STANDARD FORMS A TO X

1. The Office of Rail and Road (ORR) has today approved a proposal to introduce the CVL Network Change Standard Forms A to X, submitted to it by Amey Keolis Infrastructure Limited (AKIL) on 16 July 2020.
2. ORR has reviewed the consultation responses received. It has approved the proposal because it is satisfied that the changes will ensure that the CVL Network Change process is supported by Standard Forms and publication of the Standard Forms is also a requirement in the CVL Network Code. The approval of the Standard Forms is consistent with ORR's section 4 duties.
3. The CVL Network Change Standard Forms A to X shall come into effect 7 days from the date of this notification.
4. In giving a notice of approval, ORR also copies this letter and attached notice to all parties identified under Conditions A4.1 of the CVL Network Code.
5. A copy of this letter, the approval notice and of the Standard Forms will be placed on the ORR website. A copy of the approval notice will also be placed on the ORR's public register.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Gerry', is positioned above the printed name.
