Dear Rob

**Regulation 29 Appeal by DBS for access and services at Southampton Maritime
Freightliner Terminal, Southampton: Disclosure**

1. DB Schenker Rail (UK) Limited ("DB Schenker") thanks you for your letter of 25th June 2015 providing details of, and the reasons for, the decision which ORR is minded to make in relation to the redactions which Freightliner Limited ("FLL") has requested in respect of its submissions in response to DB Schenker's appeal.
2. DB Schenker notes that ORR is minded to withhold the information currently redacted in the main body of FLL's submission, but allow disclosure of the information provided in Appendix 5 – the terminal occupation chart.
3. DB Schenker confirms that it is content with this approach and looks forward to receiving the additional information in due course.
4. This letter has been copied to Bill Hammill and Gordon Herbert as requested.

Yours sincerely,

Stewart Smith
