Train operator licences¹
Station operator licences
Light Maintenance Depot operator licences
Network operator licences

which are listed in Schedules 1 to 3

Dear sir/madam,

Notice of modification of the licences and SNRPs listed in Schedules 1 to 3 of this Notice in accordance with section 12 of the Railways Act 1993 (“the Act”) and section 13 of the Railway (Licensing of Railway Undertakings) Regulations 2005 (“the Regulations”)

The companies listed in schedules 1 to 3 of this notice have been granted licences, under section 8 of the Act, or statements of national regulatory provisions (“SNRP”), under regulation 10 and schedule 4 of the Regulations, to operate railway assets.

On 26 February 2019², and in accordance with section 12(2) of the Act, and regulation 13(2) of the Regulations, the Office of Rail and Road (“ORR”) gave notice³ of its proposal to modify certain licences and SNRPs in respect the following conditions:

- Membership of the Rail Safety and Standards Board Limited (“RSSB”);
- Safety and standards; and
- the Disabled People’s Protection Policy (“DPPP”).

ORR has considered the representations and objections which were received during the consultation period and which were not withdrawn. All licence and SNRP holders have consented to ORR’s proposed modifications in writing.

Under section 12(1) of the Act and regulation 13(1) of the Regulations and with the consent of the licence and SNRP holders, I therefore modify the licences and SNRPs listed in Schedules 1 to 3 of this notice by making the modifications set out in these schedules. These modifications will take effect on 29 July 2019.

¹ This includes passenger train and non-passenger licences and passenger and freight SNRPs.

² Subsequently, we also gave notice to Freightliner Ltd and Freightliner Heavy Haul Ltd on 11 June 2019 https://orr.gov.uk/_data/assets/pdf_file/0019/41275/additional-notice-of-statutory-consultation-for-reightliner-limited-2019-june-11.pdf, and West Coast Railway Company Ltd on 17 June 2019 https://orr.gov.uk/_data/assets/pdf_file/0005/41288/additional-notice-of-statutory-consultation-for-west-coast-railway-company-limited-2019-june-17.pdf.

With respect to the modifications we are making relating to RSSB membership, I should like to make clear that it is not ORR's intention to imply or effect a change in our current policy regarding when membership of RSSB is required.

I will place a copy of this letter on our website and public register. We will also update the affected licences and SNRPs on our website in due course.

Yours faithfully,
