Associated British Ports

from the requirement to be authorised by licence to operate the railway assets described in paragraph 2 below.

2. This exemption applies to any networks situated within a harbour or harbour area which have been notified to ORR and in respect of which ORR has consented within 30 days, (or other such reasonable time) that are not exempted by the Railways (Class and Miscellaneous Exemptions) Order 1994.
3. In this exemption "harbour" and "harbour area" have the same meanings assigned to them by regulation 2(1) of the Dangerous Substances in Harbour Areas Regulations 1987.

A list of the railway assets to which this exemption applies is provided at Schedule 1.

4. This exemption is valid from 3 June 2009.
5. ORR may revoke the whole or any part of this exemption:

 - (b) if ORR suspects on reasonable grounds that the exemption holder has operated a railway asset without a necessary licence or exemption; or
 - (c) if all or some of the railway assets to which this exemption relates are not used for at least one year; or
 - (d) if the exemption holder ceases to be the operator of all or some of the assets to which this exemption applies; or
