Dear Colin,

Rail for London Membership of RSSB

The RSSB board agreed on 06 March 2014 to admit Rail for London to the Infrastructure Manager category of RSSB membership, subject to the signing of an accession agreement and application letter and the approval of the ORR.

I can confirm that the accession agreement and application letter have now been signed to admit Rail for London as a member with an effective date of 1 July 2014, in accordance with the Constitution Agreement.

Therefore we are requesting ORR approval to Rail for London becoming members of RSSB in the Infrastructure Manager Category, as required under clause 3.1.1 (d) of the Constitution Agreement.

If you have any queries please don't hesitate to contact us.

Yours sincerely
