### **Consent to supplement to the list of capacity charge rates**

We consent to the list of capacity charge rates proposed by the parties on 10 June 2016. This was requested to reflect the transfer of services from Abellio Greater Anglia to London Overground Rail Operations Limited on 31 May 2015. These services include West Anglia (Liverpool Street to Enfield Town, Chestnut and Chingford) and Romford to Upminster.

This consent is further to paragraph 10(4) of Part 2 of Schedule 7 of the track access contract to supplement the list of capacity charge rates.

For the purposes of the track access contract, the section of the list of capacity charge rates entitled "Passenger Operators Not Subject To Wash-up" shall be supplemented by the inclusion of the rate set out in the schedule to this consent.

This supplement shall have retrospective effect from 31 May 2015.

The rates in the schedule are in 2012/13 prices, consistent with the price base of the list of capacity charge rates.
