

We give notice in accordance with section 7(4) of the Railways Act 1993 that we propose to grant a licence exemption, subject to any conditions set by us, to:

Board of Trustees of the Science Museum

Registered Address:

**Science Museum
Exhibition Road
London
SW7 2DD**

We propose the exemption will apply to:

- (a) the network within Locomotion, Shildon, County Durham *and* any extensions to this network that ORR consents to, *together* known as “the exempt network”, that is not exempted by the Railways (Class and Miscellaneous Exemptions) Order 1994; and**
- (b) any train, station and light maintenance depot operated on the exempt network that is not exempted by the Railways (Class and Miscellaneous Exemptions) Order 1994.**

We propose to grant a licence exemption on the grounds that the operations are of a type of activity for which it is not necessary to bind the operator into standard industry arrangements. It will replace the licence exemption granted to Durham County Council by ORR in September 2009.

Please send any comments on this proposal by 14 December 2017 to:
