1. Following the Office of Rail Regulation's (ORR) 2008 review of Network Rail's network licence, a sunset clause was added to condition 24 on 1 April 2009. This clause states that the condition will cease to have effect on 31 March 2010 or such other date as the ORR may specify by notice.
2. On the basis of a consultation in December 2009 and discussions at the industry systems code workshops organised by Network Rail on 9 December 2009 and 4 March 2010, we hereby notify you that condition 24 shall cease to have effect on 30 September 2010.
