Consent to supplement the list of capacity charge rates

We consent to the list of capacity charge rates proposed by the parties on 2 August 2018 (attached). This is for services between Sheringham and Cromer.

This consent is further to paragraph 9.10(a) of Part 2 of Schedule 7 of the track access contract between the above parties.

For the purposes of the Track Access Contract, the section of the List of Capacity Charge Rates entitled “Passenger Operators Not Subject To Wash-up” shall be supplemented by the inclusion of the rate set out in the Schedule to this Notice.

This supplement shall have effect from 3 August 2018.

The rates in the Schedule are in 2012/13 prices, consistent with the price base of the List of Capacity Charge Rates.
