THIS CONNECTION AGREEMENT is made AS A DEED on the 20th day of March 2019

BETWEEN:

(1) NETWORK RAIL INFRASTRUCTURE LIMITED, a company registered in England under number 2904587 having its registered office at 1 Eversholt Street, London, NW1 2DN ("Network Rail"); and

(2) RAIL FOR LONDON (INFRASTRUCTURE) LIMITED a company registered in England under number 09366341 having its registered office at 55 Broadway, London SW1H 0BD ("RfL(I)").

WHEREAS:

(A) The construction of the Central Operating Section and associated works was authorised pursuant to the Crossrail Act 2008. TfL is a joint sponsor of the Crossrail project, together with the Department for Transport.

(B) TfL, through its wholly owned subsidiary Crossrail Limited, is responsible for the delivery of the Crossrail project. The Crossrail project forms part of the Mayor of London’s transport strategy.

(C) Following the implementation of the Crossrail project, Crossrail services will operate on the Central Operating Section and then are expected to run onto the NR Network to Reading, Heathrow Airport (via the Heathrow spur connected to the NR Network) and Shenfield.

(D) As part of the delivery of the Crossrail services on the Central Operating Section, TfL has appointed its wholly owned subsidiary, RfL(I) to be the facility owner and infrastructure manager of the Central Operating Section for the purposes of the Railways Regulations with effect from the Effective Date. The CCOS Infrastructure Manager is therefore interested in securing and preserving connections between the Central Operating Section and the NR Network.

(E) Network Rail is the owner of the NR Network and, with effect from the Effective Date, the CCOS Infrastructure Manager will be the owner or controller of the Central Operating Section, relevant parts of which are shown on the Westbourne Park Plan.

(F) Network Rail and the Secretary of State for Transport entered into the Crossrail Track Access Option, which was subsequently novated to TfL. Clause 7 of the Crossrail Track Access Option envisages that Network Rail and the facility owner of the Central Operating Section, being the CCOS Infrastructure Manager (with effect from the Effective Date), will use reasonable endeavours to agree the terms of certain connection agreements between the Central Operating Section and the NR Network.

(G) Network Rail has been directed by the Office of Rail and Road to grant to the CCOS Infrastructure Manager permission to connect the Central Operating Section to the NR Network on the terms and conditions of this Agreement.

(H) RfL(I) has been directed by the Office of Rail and Road to grant to Network Rail permission to connect the NR Network to the Central Operating Section on the terms and conditions of this Agreement.

In relation to any claim for indemnity made by the CCOS Infrastructure Manager to which this Schedule 3 applies:

(a) Network Rail shall not be liable to make payments in relation to such claims which are admitted in writing or finally determined in any Agreement Year to the extent that its liability for such claims exceeds the Liability Cap for such Agreement Year; and

5 Disapplication of limitation

To the extent that any Relevant Losses:

(a) result from a conscious and intentional breach by a party; or

(b) are in respect of obligations to compensate any person for liability for death or personal injury, whether resulting from the negligence of a party or the negligence of any of its officers, employees or agents or from a failure by a party to comply with the safety and security requirements provided in accordance with Clauses 5.1.3(g) and 5.2.3(g),

such Relevant Losses:

The limits on the parties' liabilities provided for in paragraphs 3 and 4 shall not apply to costs incurred in recovering any amount under a relevant claim, including legal, arbitral and other professional fees and expenses.

9 Final determination of claims

For the purpose of this Schedule 3, a determination of a claim for Relevant Losses by a Court or other tribunal shall be treated as final when there is no further right of appeal or review from such determination or in respect of which any right of appeal or review has been lost, whether by expiry of time or otherwise.
