16 January 2017

Dear Tracey and Catherine

Fifty-Seventh supplemental agreement to the track access contract between Network Rail Infrastructure Limited (Network Rail) and Abellio East Anglia Limited

1. We have today approved the above supplemental agreement submitted to us formally on 11 January 2017.

2. This agreement extends the expiry date of the parties' track access contract from the Principal Change Date 2017 to the Principal Change Date 2018.

3. Network Rail undertook a 28 day industry consultation and received no objections from First Greater Western Limited, Arriva Rail London (formerly LOROL), c2c and Transport Focus.

4. We reviewed the proposal and noted several minor drafting errors. This was put to the parties who have accepted our suggestions and amended the agreement accordingly.

5. Under clause 18.2.4 of the track access contract, Network Rail is required to produce a conformed copy, within 28 days of any amendment being made, and send copies to ORR and the Train Operator. ORR's copy should be sent for my attention.

6. In accordance with section 72 of the Act, we will place a copy of the approval notice and the agreement on our public register. Copies of this letter, the approval notice and the
agreement will be sent to Keith Merritt at the Department for Transport and Peter Craig at
Network Rail. Copies of this letter and the agreement will be placed on the ORR website.

Yours sincerely

Michael Albon
