Dear Matthew

**APPROVAL OF PROPOSAL FOR CHANGE 75 RELATING TO PART B OF THE NETWORK CODE**

1. The Office of Rail and Road (ORR) has today approved Proposal for Change (PfC) 75 to the Network Code, which was submitted to it by the Class Representative Committee (CRC) on 8 May 2018. This proposal, sponsored by DB Cargo (UK) Limited on behalf of the Delay Attribution Board, amends Part B of the Network Code to ensure that it reflects current terms and practices and improves the clarity of its drafting.
2. ORR has reviewed the consultation responses received and considered by the CRC at its meeting on 31 January 2018. The CRC unanimously endorsed PfC 75 at its meeting on 31 January 2018. ORR has approved the proposal because it is satisfied that the changes will ensure that Part B of the Network Code is clearer and reflects up to date practices. The approval of PfC 75 is consistent with ORR's section 4 duties.
3. In accordance with Condition C9.1.2 of the Network Code, the amendments to Part B shall have effect 14 days from the date of this notification.
4. In giving CRC notice of approval ORR also copies this letter and attached notice to all parties identified under Conditions A4.1 and C9.1.1 of the Network Code.
5. A copy of this letter, the approval notice and of the Proposal for Change will be placed on the ORR website. A copy of the approval notice will also be placed on the ORR's public register.

Yours sincerely
