(ii) such part of any issued share capital of the licence holder as would, if the whole of the income of the licence holder were in fact distributed among the participators (without regard to any rights which he or any other person has as a loan creditor), entitle him to receive 30% or more of the amount so distributed; or

(iii) such rights as would, in the event of the winding-up of the licence holder or in any other circumstances, entitle him to receive 30% or more of the assets of the licence holder which would then be available for distribution among the participators.

(b) Subsections (4) to (6) of section 416 of the Income and Corporation Taxes Act 1988, and the legislative provisions referred to in those subsections, apply to the interpretation of paragraph (a) in the same way that they apply to the interpretation of subsection (2) of section 416 of that Act;
