Dear Lee

### **Amendments to the September 2012 Delay Attribution Guide**

1. The Office of Rail Regulation (“ORR”) has today approved the following proposal to amend the September 2012 Delay Attribution Guide (“DAG”), submitted to it by the Delay Attribution Board (“DAB”) on 29 January 2013:

#### **DAB/P018**

Guidance where no fault found (technical equipment) - rewording of DAG Section 4.25.

2. The amendment to the DAG will take effect on 1 April 2013.

3. ORR has approved the amendment because it is satisfied that it provides greater clarity to the delay attribution process.

4. A copy of this letter, the approval notice and of the Proposal for Amendment will be placed on the ORR website. A copy of the approval notice will also be placed on ORR’s public register.

Yours sincerely
