Dear Ana

Amendments to the April 2014 Delay Attribution Guide

1. The Office of Rail Regulation (ORR) has today approved the following Proposals to Amend the April 2014 Delay Attribution Guide (DAG), submitted to it by the Delay Attribution Board (DAB) on 3 September 2014:

DAB/P147 – Project Mountfield

NR/P147.2 – correction of typographical errors

DAB/P230 – GSM-R flowchart

2. The amendments to the DAG will take effect on 13 October 2014.

3. ORR has approved the amendment because it is satisfied that it provides greater clarity to the delay attribution process.

4. A copy of this letter, the approval notice and of the Proposals for Amendment will be placed on the ORR website. A copy of the approval notice will also be placed on ORR's public register.

Yours sincerely
