Traction Electricity Rules – Appendix Amendment Notice

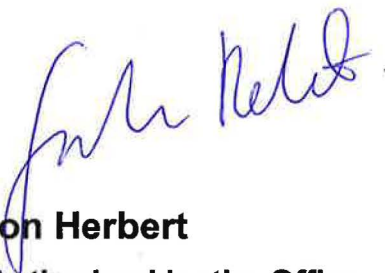

This Appendix Amendment Notice is given under paragraph 17.6 of the Traction Electricity Rules.

Following a request from you, Network Rail Infrastructure Limited, and Direct Rail Services Limited, to amend Appendices 2 and 4 of the Traction Electricity Rules, the Office of Rail and Road hereby consents to the following amendments to the Traction Electricity Rules:

- (a) in Appendix 2, an entry for train category Class 88 shall each be inserted as set out in Schedule 1 to this notice; and
- (b) in Appendix 4, an entry for train category Class 88 shall be inserted as set out in Schedule 2 to this notice.

These amendments shall have effect from 1 April 2017.

A copy of this notice will be sent to Direct Rail Services Limited.
