Dear Lee

Amendments to the April 2013 Delay Attribution Guide

1. The Office of Rail Regulation (“ORR”) has today approved the following proposal to amend the April 2013 Delay Attribution Guide (“DAG”), submitted to it by the Delay Attribution Board (“DAB”) on 24 April 2013:

DAB/P015

Delete code “RF” from the DAG

DBS-4

Amend codes “FZ” to “FC” in all sections of the DAG

2. The amendments to the DAG will take effect on 15 September 2013 and form part of the April 2013 edition of the Delay Attribution Guide.

3. ORR has approved the amendment because it is satisfied that it provides greater clarity to the delay attribution process.

4. A copy of this letter, the approval notice and of the Proposal for Amendment will be placed on the ORR website. A copy of the approval notice will also be placed on ORR’s public register.

Yours sincerely

Stuart Freer
