OFFICE OF RAIL REGULATION

16 September 2013

Lee Amass
Delay Attribution Board
Floor 8
1 Eversholt Street
London
NW1 2DN

Dear Lee

Amendments to the September 2013 Delay Attribution Guide

1. The Office of Rail Regulation (“ORR”) has today approved the following proposal to amend the September 2013 Delay Attribution Guide (“DAG”), submitted to it by the Delay Attribution Board (“DAB”) on 5 September 2013:

DAB/P020

Consolidation of guidance for attribution of joint responsibility incidents.

2. The amendments to the DAG will take effect on 1 April 2014 and form part of the September 2013 edition of the Delay Attribution Guide.

3. ORR has approved the amendment because it is satisfied that it provides greater clarity to the delay attribution process.

4. A copy of this letter, the approval notice and of the Proposal for Amendment will be placed on the ORR website. A copy of the approval notice will also be placed on ORR’s public register.

Yours sincerely

Stuart Freer
