To Network Rail and all its train operator customers

Dear colleague

Approval of amendments to track access contracts for the contingency arrangements for a delay to the statutory implementation of the 2018 periodic review

We have today approved the supplemental agreements submitted to us formally under section 22 of the Railways Act 1993 (the Act).

This follows a letter from Richard Gusanie dated 27 November 2018 to the industry outlining the contingency arrangements to cover for the scenario where there is a delay to the statutory implementation of PR18.

We will return hard copies of the supplemental agreement to those who submitted them under separate cover.

Electronic copies of this letter and the approval notice will be sent to Keith Merritt at Department for Transport to Peter Craig at Network Rail. Copies of the approval notice and the agreement will be placed on ORR's public register (website) and copies of this letter and the agreement will be placed on the ORR website.

Yours sincerely
