Subject: RAIB report Jarrow: Recommendation 3

Colin/Simon

We wrote to you on 3 December and informed you that we regarded recommendation 3 of the Jarrow report as 'implementation on-going'.

DB Regio Tyne and Wear had provided us with an action plan that was due to be completed by 31 March 2014.

We can now confirm that all actions are complete and we regard this recommendation as 'implemented'

Regards

Chris O'Doherty | RAIB Relationship and recommendation Handling Manager
