Dear Mattias

Periodic Review 2024 of LSPH stations

Thank you for your submission of 3 February, including updated Life Cycle Reports for Control Period 4.

I am pleased to confirm that these documents reflect our PR24 Final Determination of 6 January, and therefore should be implemented accordingly from 1 April 2025.

I would also like to express my thanks for the way in which your team has engaged with us throughout this review.

Yours sincerely
